

Getting Help

If you need help with any Tabulator features, please ask a question on [Stack Overflow](#)

Further help resources can be found in the [Community Help Guide](#) and the [Documentation Section](#) of the Tabulator website

QUESTIONS MUST NOT BE ASKED IN THE ISSUE TRACKER, IT IS FOR BUG REPORTS AND FEATURE REQUESTS ONLY

Reporting A Bug

Please read the [Bug Reporting Guide](#) before creating any Bug Report issues on this repo.

BUG REPORTS WILL NOT BE ACCEPTED WITHOUT A [JS Fiddle](#) or [Codepen](#) TO DEMONSTRATE THE ISSUE

Requesting A New Feature

Please read the [Feature Request Guide](#) before creating any Feature Request issues on this repo.

Contributing To Tabulator

There are many ways that you can contribute to Tabulator. Checkout the [Community Contribution Guide](#) to find out how you can start contributing

Pull Requests

If you are interested in contributing code to the Tabulator repo, please read the [Pull Request Guide](#) before submitting your first PR
